SANKARA NETHRALAYA MESU ADOPT-A-VILLAGE PROGRAM
will be available in Telangana starting January 2024

Sankara Nethralaya USA Adopt-A-Village MESU Sponsors Meet 'n Greet with Dr. Prem Reddy. Raised the grand total USD \$350K

For the last four decades, Sankara Nethralaya (SN) has restored the vision of millions of patients. Lot of poor patients got medical treatment free of cost. One of the unique services of SN is Mobile Eye Surgical Unit (MESU). SN is the only institute that got approval from Government of India to do eye surgeries remotely in the field. MESU is a hospital on wheels and consists of two buses – one serves as patient preparatory room and the other one as operation theater. These buses along with about 25 members of medical staff go to remote villages, screen about 2,000 to 3,000 patients, perform cataract surgeries on 150 to 250 patients over a two-week period and return to base hospital after post-operative care. Patients with health complications will be referred to a base hospital.

Sankara Nethralaya USA (SN USA) is a fund-raising arm of SN and is spearheading the noble cause of eradicating the preventable blindness from India. So far, there are 2 MESU units – one is based in Chennai and the other one is based in Jharkhand.

SN USA raised funds to establish one more MESU based in Hyderabad to increase the footprint of this service in India. TATA foundation is sponsoring one more MESU that will be based in Jharkhand. Each MESU will go up to 500 Kilometers from the base hospital.

SN USA President Sri. Bala Reddy Indurti is doing a commendable job to increase the footprint of MESU service in India by spearheading Adopt-A-Village program in Indian diaspora. For his invaluable contributions, SN conferred Sankara Ratna, the highest award in that institute. North American Telugu Association (NATA) also recognized his outstanding services and conferred prestigious Community Service award in recently organized convention in Dallas.

To raise the awareness, SN USA organized Meet 'n Greet with distinguished Doctor, Entrepreneur and Philanthropist Dr. Prem Reddy in the NATA convention on July 1st, 2023. He recently sponsored Adopt-A-Village program in his native place Nidiguntapalem near Nellore and restored the vision of hundreds of poor patients. Dr. Prem Reddy "Chairman, President and CEO of Prime Healthcare Services & Chairman Emeritus, NATA" is the Chief Guest of this event. BRSMP Badulgula Lingaiah Yadav garu is the guest of honor at the event. Bala Indurti along with core committee members Anand Babu Dasari and Sridhar Reddy Thikkavarapu organized this successful event. Sankara Nethralaya USA team felicitated Dr. Prem Sagar Reddy for his outstanding services to Indian community across the globe. In this meet, Dr. Prem Reddy felicitated Sankara Nethralaya USA team and MESU sponsors who contributed and pledged for Adopt-A-Village program in 2023, 2024 in Hyderabad, Chennai and Jharkhand.
